

PLASTIC AND RECONSTRUCTIVE SURGERY OF THE BREAST: FOURTH EUROPEAN CONFERENCE

Milano, 12th/15th December 2007
Preliminary Programme Second Announcement

Scuola di Oncologia
Chirurgica Ricostruttiva

Conference Venue:

HOTEL MELIA

Via Masaccio, 19 - 20149 MILANO - Italy

Dear Colleague,

The Scuola di Oncologia Chirurgica Ricostruttiva is very pleased to announce that we are organizing the event, Plastic and Reconstructive Surgery of the Breast. Fourth European Conference, that will be held in Milano from the 12th to the 15th December 2007.

Experts from the most prestigious Institutions will be present to enrich the Scientific Programme to share and compare techniques and experience with the audience.

Video surgery session will be held each morning and the opportunity to ask questions in real time from the Auditorium to the surgeons who performed the operation increases the teaching level to a very high standard. Sessions dedicated to body and psychological implication in breast reconstruction as well as radiotherapy, breast detection, in breast reconstruction and how to reach the final outcome by using different techniques will be included.

Best regards

Special Lectures:

- 15.30 - 16.30 F. Nahai:**
Past, present and future of aesthetic surgery of the breast
- 16.30 - 17.00 V. Sacchini:**
Partial breast irradiation and cosmetic outcome
- 17.00 - 17.30 A. Grisotti:**
A critical review of 20 years of breast reshaping in conservative surgery
- 17.30 - 18.00 P. Maxwell:**
A critical review of 20 years of anatomical expander in breast reconstruction
- 18.00 - 18.30 M. Nava:**
Past, present and future of reconstructive surgery of the breast
- 18.30 *Cocktail***

- 08.00 - 09.40** **Video Surgery Session**
 Moderator: **M. Nava**
 “Breast reshaping” **M. Nava - V. Sacchini - W. Audretsch - G. Querci della Rovere**
 “Skin reducing mastectomy” **M. Nava**
- 09.40 - 10.00** **Coffee break**
- Masterclass: *Oncoplastic surgery***
10.00 - 13.00 Chairman: **G. Querci della Rovere**
- 10.00 - 10.20** **M. Nava:** View of a plastic/oncoplastic surgeon
- 10.20 - 10.35** **G. Querci della Rovere:** Do the margins in BCT play any role in breast reshaping?
- 10.35 - 10.50** **W. Audretsch:** Oncoplastic surgery plus RT vs. SSM/DIEP without RT
- 10.50 - 11.05** **V. Sacchini:** The view of a breast surgeon concerning the cosmetic outcome

15.30 - 16.00 **Discussion**

16.00 **Conclusions remarks and next meeting**

Abstracts

Participants are invited to send abstracts on:

- Innovations, complications and new techniques in breast reconstruction
- Prevention and detection in breast cancer

The abstracts will be reviewed by the Scientific committee and the abstracts that are given the highest points will be included in the Scientific Programme.

Abstracts must be written in English and be in Times New Roman font and should not exceed 1000 characters.

Send the abstract either by e-mail as an attached document to:

congress@cq-travel.com indicating as the subject Plastic and Reconstructive Surgery or by surface mail saved on a floppy disk in "word". You should indicate the authors name and the list of co-authors, the name of your institute and personal address, e-mail, telephone and fax.

The deadline for abstracts is 30th September 2007 and acceptance of the abstracts will be communicated before the 31th October.

The postal address for abstracts is:

The School of Oncological Reconstructive Surgery was founded with the scope of increasing knowledge in the area of reconstructive oncology. Founded in June, 1999 by **Maurizio Nava MD**, director of the Plastic and Reconstructive Surgery Unit of the Fondazione IRCCS Istituto Nazionale dei Tumori di Milano.

The goals of the School are:

- To contribute in increasing information available in the area of oncological reconstructive surgery.
- To organize and promote Courses, Seminars and Congresses on this area of speciality.
- To develop research in oncological reconstructive surgery and produce journals and multi-media material.
